

ADVANCED PROFESSIONAL INDEMNITY INSURANCE COVER AND LIABILITY: RECENT DEVELOPMENTS IN CONTEXT

Course Description

This advanced course will provide a detailed analysis of the emerging issues currently facing the Professional Indemnity market. It will include recent legal developments, courts' decisions on policy coverage, and an examination of the liability of professionals.

Target Audience

This course will be of interest to those with a good working knowledge of Professional Indemnity insurance and who wish to enhance that knowledge.

Course Objectives

On completion of the course delegates will:

- be aware of the way that PII cover is being extended
- understand court decisions relating to policy coverage
- have a knowledge of the extent of professionals' liabilities including recent court decisions

Course Format

The course will be in the form of an interactive workshop with presentations and case studies.

Course Content

Recent Coverage Developments

This section of the course will look at the way coverage is being extended by insurers and how the courts are interpreting wordings.

- Policy Conditions relating to notification of claims and circumstances
- Conditions or conditions precedent
- Disputed circumstances notified under a "deeming" clause
- The validity of blanket notifications
- "Claim made" - the extent of the notification where subsequent damage is discovered
- The number of claims for the purpose of limits and deductibles
- Extending cover – including mitigation costs, difference in conditions and many others

The Liability of Professionals Including Recent Developments

This section of the course will look at the way the liability of professionals has evolved, including some important recent decisions.

- Latest Developments in Contract and Tort
- Limiting Liability in Contract
- Assumption of Responsibility
- Extent of Liability for Economic Losses
- Loss of Chance
 - The Application of SAAMCo Principles
 - Recent Court Decisions
