WHO IS THE CONFERENCE FOR?

This Conference will be of interest to anyone involved in Liability Insurance: underwriters, brokers, claims managers, risk managers and lawyers.

THE LIABILITY UNDERWRITERS GROUP

The Conference is supported by the Liability Underwriters Group (LUG), a Committee of the International Underwriting Association of London Ltd (IUA). LUG was formed 40 years ago by leading underwriters in the London Market with a view to improving levels of knowledge in the market as a whole. Membership is open to all IUA members together with invited underwriting representatives from other syndicates and companies. LUG presents a forum for discussion of issues of interest to the Liability Market. It also seeks to promote sound principles for best practice, provide education to its members and formal liaison with other professional bodies. This Conference gives the members of LUG the opportunity to further its aims and to involve others in the industry who have an interest in Professional Indemnity Insurance.
