REINSURANCE LAW - A GUIDE FOR PRACTITIONERS

Course Description

This course will provide delegates with an outline of reinsurance law and analyse court decisions on clauses used in reinsurance contracts.

Target Audience

The course will be of value to anyone involved in reinsurance underwriting, claims handling, or contract wording preparation or checking.

Course Objectives

On completion of the course delegates will:

- Take a more analytical approach to drafting or reading Contracts, Wordings and other reinsurance documentation
- Reach higher standards of document production
- Understand some of the complex issues relating to reinsurance law

Course Format

An interactive presentation including discussion of issues based on real examples and case law.
